The Rowing Federation of India's vision is to make the sport of rowing popular in India by taking it to the various corners of the country. This Sub-Junior Nationals in Kodaikanal is not only taking the sport to new centers but is also promoting wider participation in the sport at the grass root level.

Let me take this opportunity to congratulate and thank the Tamilnadu Amateur Rowing Association and the Kodaikanal Boat & Rowing Club for their efforts to fulfill this vision of RFI by organizing the 15th Sub-junior & 16th Challenger Rowing Championship at Kodaikanal.

I wish the participants all the very best. I would like to also thank the Organizing Committee for their enduring efforts to make this Championship a success.
