MESSAGE

I am glad to note that the Tamil Nadu Amateur Rowing Association has programmed to host the 15th Sub-Junior and 16th Challenger Sprint National Rowing Championships from 11th to 17th June 2012 at Kodaikanal under the able Presidentship of Shri Chako Kandathil.

It is heartening to note that Tamil Nadu has been in the forefront in producing several Rowers both National and International level and also organizing Rowing events frequently.

The contribution of Tamil Nadu Rowing Association to the National Federation both in organization and administration is note worthy and it will go a long way to promote the sport in this State.

I am confident that the President & the members of the organizing committee and the office-bearers of the TARA will make all arrangements for the successful conduct of the Championship.

K.MURUGAN,
General Secretary, TNOA
